University of Minnesota - Duluth Fall Tournament

The tournament was played on the beautiful University of Minnesota - Duluth campus, overlooking Lake Superior. The temperature was in the middle 70s and no clouds were in the sky. 16 teams and 34 plus participants representing three different states battled throughout the day. Teams came from Minnesota, Wisconsin, and Illinois. The event again had one of a kind handmade trophies and an amazing homemade kubb set for the winners. Thanks a ton Ryan, Keith, and the whole University of Minnesota - Duluth Kubb Klub.
