

Nobbele Kubb Klub Tournament

Lindström, MN

Saturday June 13, 2009

Nobbele Kubb Klub Tournament & Fundraiser

All proceeds went to the family of Jenna Johnston. Jenna had Childhood Rhabdomyosarcoma (a rare form of skin cancer).

The tournament was played in Lindström, MN (America's Little Sweden). There were 12 teams and 30 participants representing four different states. The event had a kubb tournament, silent auction, bake sale, lunch, music, and a bald eagle that flew over several times. The proceeds will be used to help the family pay for medical expenses. Over \$1000 were raised. The top three teams were awarded medals, and [Old Time Games](#) provided a kubb set for the winner and 2nd place, in addition to two sets for silent auction.
